

## Approved Traffic Management Implementation Training Providers

### Approved Traffic Management Implementation Training Program (RIIWH302D – Implement traffic management plan)

It is a requirement under the Queensland *“Traffic Management for construction or maintenance work code of practice 2008”* for staff engaged in the implementation of traffic management plans to be trained by an approved training provider.

Traffic Management Implementation training program (RIIWH302D - Implement traffic management plan) has been designed to achieve this training requirement.

Further information about the training program can be obtained by contacting Statewide Competency Development, Department of Transport and Main Roads on 07 3066 8672.

Below is the approved provider list for the delivery of the Department of Transport and Main Roads approved Traffic Management Implementation training program.

(List updated 5 August 2015)
