

# Alcohol Ignition Interlock Program

To participate you must:

- hold a current licence with an interlock condition
- have a zero blood/breath alcohol concentration when driving
- attend all interlock service appointments (your interlock will remind you when they are due)

If you don't participate you can't drive for 5 years

## An overview of the performance-based program

### Convicted of drink driving

- Wait for disqualification period to end
- Complete online drink driving course
- Get driver licence with interlock condition
- Get interlock installed

Get your notices by email  
Go to [qld.gov.au/TMRemails](http://qld.gov.au/TMRemails)

Start interlock program  
(Minimum of 12 months)

### Learning Period (8 months)

- Get interlock serviced

### Repeat drink drivers

Complete multi-session drink driving course

### Performance Period (4 months)

- Get interlock serviced
- Get service provider to upload interlock data

### Program Completion

- Completion notice sent to you
- Get interlock removed
- Get interlock condition removed from driver licence

### Performance period restarts if:

- alcohol is detected
- an interlock service is missed
