

Products and Suppliers (including innovative products and services previously considered)

The department maintains lists of registered suppliers and approved products that are available for use in the construction and maintenance of its infrastructure projects.

These lists may be rescinded or updated without notice based on in-service performance information and/or an independent assessment of the products and/or suppliers. Follow the links provided in the engineering disciplines outlined below to see the lists of approved products and registered suppliers.

A bitumen sprayer in action

Bridges and other structures

The [registered suppliers and approved products](http://www.tmr.qld.gov.au/business-industry/Business-with-us/Approved-products-and-suppliers/Bridges-and-other-structures-approved-products-and-suppliers.aspx) (http://www.tmr.qld.gov.au/business-industry/Business-with-us/Approved-products-and-suppliers/Bridges-and-other-structures-approved-products-and-suppliers.aspx) for chemical admixtures, cementitious materials, curing compounds, steel fabrication, precast concrete, reinforcing steel and prestressing strand.

Intelligent transport systems and electrical

The [registered suppliers and approved products](http://www.tmr.qld.gov.au/business-industry/Business-with-us/Approved-products-and-suppliers/Intelligent-transport-systems-and-electrical-approved-products-and-suppliers.aspx) (http://www.tmr.qld.gov.au/business-industry/Business-with-us/Approved-products-and-suppliers/Intelligent-transport-systems-and-electrical-approved-products-and-suppliers.aspx) for conduits and traffic signal lighting.

Pavements, materials and geotechnical

The [registered suppliers and approved products](http://www.tmr.qld.gov.au/business-industry/Business-with-us/Approved-products-and-suppliers/Pavements-materials-and-geotechnical.aspx) (http://www.tmr.qld.gov.au/business-industry/Business-with-us/Approved-products-and-suppliers/Pavements-materials-and-geotechnical.aspx) for asphalt, lab registration, quarries, and bitumen sprayers.

Traffic engineering, traffic management and road safety

The [registered suppliers and approved products](http://www.tmr.qld.gov.au/business-industry/Business-with-us/Approved-products-and-suppliers/Traffic-engineering-and-road-safety-approved-products.aspx) (http://www.tmr.qld.gov.au/business-industry/Business-with-us/Approved-products-and-suppliers/Traffic-engineering-and-road-safety-approved-products.aspx) for traffic management and road safety devices.

Contact
