

Maritime Safety Queensland

RideSAFE

Ride responsibly

Keep under 6 knots within:

- 60m of people in the water
- 60m of bathing reserves
- 60m of anchored vessels, boat ramps, jetties or pontoons

When you're within 30m of another moving vessel, you must remain under 10 knots.

Remember:

- 6 knots is equivalent to 11km/hr
- You must have a personal watercraft (PWC) licence holder onboard.

Be aware

Keep a proper lookout

Be safe

Everyone onboard must wear a lifejacket

Know the area

Freestyling is restricted in certain areas
